

Revive Wood Clad Casement & Awning Pocket Replacement Window

Features and Benefits

- **Stainable and paintable natural wood interiors** – Choose from Clear Select Pine, Natural Alder or Douglas Fir
- **Sleek appearance and clean lines** – Single lever, sequential, multi-point lock for sleek look and easy operation
- **Low-maintenance exteriors** – Heavy-duty aluminum cladding protects the sash and pocket frame
- **Excellent thermal performance** – Exterior tape glazing slows conduction of heat/cold through edge of glass; two beads of silicone ensure a water tight seal that creates three seals between glass and sash
- **Easy sash operation** – Adjustable concealed hinge system ensures smooth operation
- **No crank handles to get in your way** – Recessed crank handle nests in the operator cover housing, keeping it out of the way of window treatments
- **Exceptional structural stability** – 2" thick sash adds beauty and increases insulating value; 1-1/4" jamb creates unmatched strength and stability; silicone-injected frame corners keyed and screwed to create a strong, water tight joint
- **Side stop functionality** – Side stops held in place with kerf and barb for easy removal and replacement

Glazing

- 3/4" inch double pane insulated glass comes standard with energy efficient Cardinal® LoE 366 coating; tinted, tempered, obscure and laminated glazing options available
- Double glazing and interior wood stops lend superior strength and sealing against moisture and air
- Custom and special glass types available
- Preserve protective film optional
