

Pinnacle Bi-fold Patio Door

Bi-fold doors may vary slightly in appearance and features.

Features and Benefits

- Multi-point locking system on passage panels features three-point jamb-engaged tongue system for uncompromised security
- Centor Architectural E3 bi-fold hardware system provides stability and smooth operation
- Lever handle activated head and sill twin bolt system for added security
- Wept sill system to eliminate water infiltration
- Dual weatherstrips at panel edge improve air and thermal performance
- Foam-backed glazing bead minimizes paint and stain bleeding
- Stiles constructed of an LVL core material for added strength and stability
- Panel exterior matches Pinnacle product line with consistent depth from glass to face of the panel for a clean, complementary appearance
- Panels available in traditional French or contemporary narrow stile

Sizes

- Five standard heights: 6'8", 6'10", 8'0", 9'0" and 10'0" (9'0" and 10'0" doors available in French panels only)
- Can be assembled with as few as two panels, and up to eight panels wide
- Custom sizes available

Glazing

- Windsor Glazing System provides 3/4" double pane insulated glass; Cardinal® LoE 366 glass standard
- Interior stop glazed with silicone sealant
- Custom and special glass types available

Grilles

Windsor Divided Lite (WDL) = simulated divided lite

- 3/4" and 1" profiled inner grille*
- 13/16" flat inner grille
- 7/8" and 1-1/4" interior wood WDL
- 7/8" and 1-1/4" exterior clad WDL
- 5/8", 7/8" and 1-1/4" short putty WDL
- 5/8", 7/8" and 1-1/4" and 2" short contemporary WDL
- Standard and custom grille patterns available

Weatherstripping

- Two weatherstrip barriers between each panel and between panels and frame; urethane foam encased in polyethylene film around entire frame; pile weatherstripping along head and sill provide added protection

Finishes

- Interior – Clear Select Pine, Douglas Fir or Natural Alder
- Exterior – Heavy-duty extruded aluminum cladding

Clad Colors

All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments

- 22 standard colors
- 21 feature colors; custom colors available
- 8 anodized finishes

Hardware

Classic or contemporary handle available in satin nickel, brass and oil rubbed bronze
