### Project Description

This modern home is nestled along the shores of the Chattahoochee River in Vinings, a suburb of Atlanta, GA. This home was a collaboration with Windsor Windows & Doors along with our dealer, Liteworks Window & Door, and their customer, Principle Builders Group.

This house boasts 178 windows and 10 doors, creating incredible views and an abundance of natural light. These expansive direct set windows enhance the unique stylistic appeal of this home, making it a stunning architectural vision from dawn to dusk.

### Unique Requirements and Solutions

Maximum window openings, vertical and horizontal mulls aligning throughout house.

## Comments from Project Associates

“I love the capabilities of Windsor Windows & Doors. The architect really stretched the limits on window sizes. The narrow sightlines of the direct set windows were exactly what the design team envisioned. Windsor was able to provide solutions to maintain design intent.”
