- Black: #10134598

Windsor's Window and Door Flashing Tape helps weather-proof your windows and doors. It will keep out the weather with a pliable design. It is easy to install with a peel and stick application.

Flashing Tape Features and Benefits

- Creates a weatherproof seal with excellent air and moisture barrier properties
- Contains no VOC's and won't off-gas
- Self-healing after puncture
- Compatible with most polyurethane, silicone and other caulks and sealants
- Stands up to UV exposure and will not degrade when exposed to sunlight
- Split backing for easy installation
- Suitable for installation down to 30° F and thermally stable up to 180° F
- Remains pliable for a more durable seal
- 6" x 50' rolls with 20 mil thickness (8 rolls per box)
- Black butyl rubber copolymer adhesive with a foil back
- 36-month shelf-life
