PINNACLE DIRECT SET SWINGING PATIO DOOR. Desert Mountain, Arizona.

Pinnacle

Swinging Patio Doors

The highlight of a house. Your patio is an extension of your home, and your home is an extension of yourself and your style. That's why at Windsor we offer you several options for our Pinnacle swinging patio doors. Choose from in-swing or out-swing models. Add architectural interest to any project by choosing a curved seg-top patio door. Select one panel to operate or two panels.

Include up to four panels in one frame. For safety, we can install multi-point locking hardware – for style, we

can accent your doors with a customized transom, radius or sidelites. A complement to any home's décor, Windsor's beautifully crafted 1/2 and 3/4 lite panel doors are available in the finest wood interior finishes and offer more customizable features with one or two flat panels. The design options continue, with more than 50 different exterior clad colors and finishes, several hardware styles, multiple hardware finishes and numerous grille options.

PINNACLE IN-SWING PATIO DOOR. Alpine, Utah.

Pinnacle

In-swing Patio Door

Experience the beauty and performance of wood, available in clad or primed exterior.

- Clad doors available in heavy-duty extruded aluminum cladding; primed doors come standard with cellular PVC exterior trim for a traditional, decorative appearance
- Clad doors available in Clear Select Pine, Douglas Fir, Natural Alder, primed, painted white or painted black interior finishes; primed doors available in Clear Select Pine, primed or painted white as interior finishes
- All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments – 23 standard colors; 27 feature colors; 8 anodized finishes; custom colors available
- “Easy Adjust” hinge system for effortless operation and correction after installation; non-removable-pin ball bearing hinge also available
- Active stiles constructed of an LVL core material for added strength and stability
- Dual-seal frame weatherstripping at panel face and edge improves air and thermal performance
- Wept sill system to eliminate water infiltration
- Heavy-duty, self-adjusting sweep
- Single or bi-hinge panel operation
- Panels available in traditional French or contemporary narrow stile
- Integral structural astragal allows for doors up to 12 feet wide to be placed in a single frame, which decreases the potential for air and water infiltration
- Oak interior sill; exterior sill available in mill or bronze anodized finishes
- Rigid aluminum nail fin
- Stainless steel multi-point locking hardware option for added security
- 1/2 and 3/4 lite available with flat or split panel option
- Seg-top available
- Five standard heights: 6'8", 6'10", 8'0", 9'0" and 10'0" (9'0" and 10'0" doors available in French panels only)

**Legend HBR in-swing patio door available in all sizes (except 9'0", 10'0" and seg-tops) and have the same rough opening dimensions.*

NOTE: Primed in-swing patio doors come standard with cellular PVC exterior trim.

Pinnacle

Out-swing Patio Door

When space is at a premium, an out-swing is the perfect solution.

- Clad doors available in heavy-duty extruded aluminum cladding
- Clad doors available in Clear Select Pine, Douglas Fir, Natural Alder, primed, painted white or painted black interior finishes
- All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments – 23 standard colors; 27 feature colors; 8 anodized finishes; custom colors available
- “Easy Adjust” hinge system for effortless operation and correction after installation; non-removable-pin ball bearing hinge also available
- Active stiles constructed of an LVL core material for added strength and stability
- Integral structural astragal allows for doors up to 12 feet wide to be placed in a single frame, which decreases the potential for air and water infiltration
- Wept sill system to eliminate water infiltration
- Heavy-duty, self-adjusting sweep
- Single or bi-hinge panel operation
- Panels available in traditional French or contemporary narrow stile
- Low clearance (ADA-approved) sill option
- Oak interior sill; exterior sill available in mill or bronze anodized finishes
- Rigid aluminum nail fin
- Stainless steel multi-point locking hardware option for added security

- 1/2 and 3/4 lite available with flat or split panel option
- Seg-top available
- Five standard heights: 6'8", 6'10", 8'0", 9'0" and 10'0" (9'0" and 10'0" doors available in French panels only)

**Legend HBR not available as an out-swing patio door.*

PINNACLE DIRECT SET WINDOWS AND OUT-SWING NARROW STILE PATIO DOOR. Washington, D.C.

PINNACLE AWNING AND CASEMENT PICTURE WINDOWS, AND OUT-SWING FRENCH DOORS IN CHERRY WOOD. Pebble Beach, California.

Pinnacle Sliding Patio Doors

Smooth, sleek and incredibly charming. Whether you choose traditional French or contemporary narrow stiles, Pinnacle sliding doors will be the talk of your next outdoor event with their incredible ease and aesthetics. With up to four panels, the doors glide effortlessly on two end adjustable tandem steel ball bearing rollers. Sliding doors have a pultruded fiberglass sill available in a gray or bronze finish. The heavy-duty weatherstripping also ensures your

patio doors will be ready for the changing seasons, even when your patio is not. Primed sliding patio doors come standard with cellular PVC exterior trim.

*9'0" and 10'0" heights available in clad French slider only.

**Legend HBR French slider available in all sizes (except 9'0" and 10'0" heights) and have the same rough opening dimensions. Legend HBR not available as a narrow slider.

A space-saving option with traditional looks and modern performance

- Clad doors available in heavy-duty extruded aluminum cladding; primed doors come standard with cellular PVC exterior trim for a traditional, decorative appearance
- Clad doors available in Clear Select Pine, Douglas Fir, Natural Alder, primed, painted white or painted black interior finishes; primed doors available in Clear Select Pine, primed or painted white interior finishes
- All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments – 23 standard colors; 27 feature colors; 8 anodized finishes; custom colors available
- Panels available in traditional French or contemporary narrow stile;
- French stile allows for the “look” of a swinging door where space won’t allow for one
- Quad option including four panels in one frame; center panels operate
- Doors slide on two tandem, heavy-duty, end-adjustable, ball bearing rollers for years of smooth, trouble-free operation
- All stiles constructed of an LVL core for a stronger, straighter, more durable door
- Wood parting stops and absence of screws provide a warm, clean look
- Aluminum jamb covers at the head and strike jambs hide exposed screws and provide a smoother, more attractive surface
- Heavy-duty interlock improves air and structural performance
- One-piece, fiberglass pultruded sill minimizes cold conduction; available in gray or bronze
- Heavy-duty extruded screen ensures durability and smooth operation
- Standard two-point lock for added security
- Integral nail fin on clad doors
- Five standard heights: 6'8", 6'10", 8'0", 9'0" and 10'0" (9'0" and 10'0" doors available in clad French slider only)

Pinnacle

Bi-fold Patio Doors

Open up your world. Quality, high-performance and stunning beauty come together with Pinnacle bi-fold patio doors. We offer this versatile product in many sizes and configurations, which allows for installation in standard construction openings. This innovative concept brings open-air luxury to virtually any custom project.

Our bi-fold patio doors feature a revolutionary hinge system that will provide graceful operation and reliable function for years to come. With options including 3 premium hardware finishes, 50 clad colors, 8 anodized finishes and a wood

interior selection of Clear Select Pine, Natural Alder and Douglas Fir, your possibilities are wide open.

Imagine how our bi-fold patio doors can enhance your projects. Homeowners love the way these doors bring the beauty of nature into their home. Pinnacle bi-fold doors are offered in five heights: 6'8", 6'10", 8'0", 9'0" and 10'0" and can be assembled with as few as two panels, and up to eight panels wide. Imagine having the capability to span an opening as high as 10' tall and as long as 24' wide!

Let the beauty of nature into your home

- Multi-point locking system on passage panels features three-point jamb-engaged tongue system for uncompromised security
- Centor Architectural E3 bi-fold hardware system provides stability and smooth operation
- Lever handle activated head and sill twin bolt system for added security
- Wept sill system to eliminate water infiltration
- Dual weatherstrips at panel edge improve air and thermal performance
- Stiles constructed of an LVL core material for added strength and stability
- Panels available in traditional French or contemporary narrow stile
- Five standard heights: 6'8", 6'10", 8'0", 9'0" and 10'0" (9'0" and 10'0" doors available in French panels only)
- Custom sizes available
- Two weatherstrip barriers between each panel and between panels and frame; urethane foam encased in polyethylene film around entire frame; pile weatherstripping along head and sill provide added protection
- Interior – Clear Select Pine, Douglas Fir or Natural Alder, primed, painted white or painted black interior finishes
- Exterior – Heavy-duty extruded aluminum cladding
- All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments – 23 standard colors; 27 feature colors; 8 anodized finishes; custom colors available

Pinnacle Multi-Slide Patio Door. Atlanta, Georgia.

Pinnacle

Multi-slide Patio Doors

Enhance your views. Whether your home overlooks a beautiful cityscape or a quiet lake, Pinnacle multi-slide patio doors create an impactful design element. Highlight brilliant outdoor views and give your home a unique architectural look that expands the feel of indoor living space.

Available in stacking or pocket configurations up to 32 feet wide, our clad multi-slide patio doors offer many of

the same features as other products in the Pinnacle line. Choose from 23 standard colors, 27 feature colors, 8 anodized finishes, one of three wood species and a variety of glazing options and grille designs.

Highlight exceptional outdoor views while expanding interior living spaces

- Stacking and pocket configurations
 - Stacking multi-slide door systems stack all panels in line with the stationary panel when the panels are in the fully-open position; in the stacking configuration, all panels are still visible
 - Pocketed multi-slide door systems incorporate a pocket in the wall cavity to conceal all panels when they are in the fully-open position; in the pocketed configuration, all panels are hidden in the pocket
- Door jamb widths vary depending on the number of panels in the multi-slide system
- One panel (pocket only) to eight panel configurations with maximum 32'0" frame width
- All applications using multi-slide door systems require overhangs equal to or greater than the height of the multi-slide door
- Main frame head jamb and sill use dark bronze anodized aluminum extrusions with powder paint color-matched frame nosing and pocket covers
- Folding aluminum nailing fins applied
- Pinnacle 1-3/4" thick sliding patio door panels
- Heavy-duty interlock improves air and structural performance
- Panels slide on two tandem, heavy-duty, end-adjustable ball bearing rollers for years of smooth, trouble-free operation
- Standard heights
 - French panels: 6'8", 6'10", 8'0", 9'0", 10'0"
 - Narrow panels: 6'8", 6'10", 8'0"
- Panel width callouts: 2'6", 3'0", 4'0"
- Maximum frame width: 32'0"
- Interior – Clear Select Pine, Douglas Fir or Natural Alder, primed, painted white or painted black interior finishes
- All clad colors painted in-house with the highly durable AAMA 2604 standard finish, or upgrade to AAMA 2605 for the most challenging of environments – 23 standard colors; 27 feature colors; 8 anodized finishes; custom colors available
- Pinnacle sliding patio door end-adjustable roller system
- Pinnacle sliding patio door two-point locking gear and keeper
- Flush mount handles standard on pocket and stacking door systems; available in oil rubbed bronze, faux bronze, black and satin nickel (figure 1)
- Flush mount handles standard with a keyed lock
- All panels standard with satin nickel finger pull located at the edge of the lead operating panel (figure 2)

Next Dimension

Sliding Patio Doors

Your sliding work of art. Our Next Dimension line of sliding patio doors are highly durable, effortless to open and close and feature a long list of accessories, screens, blinds between the glass and glass options for a look all your own.

Next Dimension vinyl sliding patio doors hold to the same standard of quality as our windows. Employing heavy-duty screens, fusion-welded corners, multi-chamber reinforced extrusions and a positive pressure draining system, our sliding patio doors offer smooth operation, durability and weatherproofing.

Building on the ease-of-use and long-lasting performance, Next Dimension sliding patio doors can be fitted with an optional blinds between the glass system. Featuring simple, no-cord operation safe for pets and children, lift and tilt functionality and effortless cleaning, patio doors with blinds between the glass are designed to offer a no-hassle solution to let you control natural light and privacy in your home.

NEXT DIMENSION SLIDING PATIO DOOR. Ankeny, Iowa.

Low maintenance meets effortless operation

PINNACLE MULTI-SLIDE PATIO DOOR. Waukeee, Iowa.

Windsor Windows & Doors has distinct product lines for every application. New construction. Room additions. Window replacement. Windsor has the solutions to help meet any home building or home improvement need. Discover all of the products we have to offer.

Make every project a success.

Pinnacle

The strength and beauty of natural wood define our elite Pinnacle line of products. Crafted from the finest pine, alder and fir, Pinnacle windows and doors add a measure of elegance to any home.

From subtle to showy, Pinnacle products are endlessly customizable through an array of finishes, hardware, shapes, grille options, cladding colors, glass and trim options, allowing the perfect window or door to be created.

Homeowners can choose from the technologically advanced Pinnacle Select, the durable and damage resistant Pinnacle wood clad or Pinnacle primed, which arrives ready to be painted.

Legend

Legend products are constructed from solid cellular PVC, creating the traditional look and feel of painted wood with the low maintenance and strong durability of vinyl. Our windows are protected against rotting, warping, cracking or swelling with a 25-year warranty. Legend products are well suited for both new construction and historical renovation.

Legend HBR products combine the strength and durability of our Legend cellular PVC frame with a wood clad sash. This powerful hybrid offers a low-maintenance exterior with a beautiful wooden interior.

Next Dimension

Next Dimension Signature windows and doors are robust, reliable products that offer the resilience of extruded multi-chambered vinyl. Enhanced components and sturdy construction add strength and stability. Homeowners enjoy exceptional performance and energy efficiency.

Next Dimension Classic is available in single and double hung units, sliders and sliding patio doors. What makes Next Dimension Classic unique is its sloped sill, tilt sash, brickmould profile frame and decorative features, such as a profiled inner grille and simulated divided lite.

Next Dimension Pro vinyl windows and patio doors are designed for light commercial, multi-family and residential applications, all at a highly competitive price. Vinyl extrusions ensure superior weathering, durability and color retention. Construction features are built in to reduce maintenance, add strength and security, and maximize weather resistance.

All Next Dimension vinyl products are available in white or clay, as well as seven painted exterior colors (white, ivory, tan, bronze, cinnamon, hunter green and black). Our vinyl windows are highly rated for performance and many even offer commercially rated performance. All of our vinyl products are low maintenance and are backed by a lifetime limited warranty.

Revive™ Pocket Replacement Windows

There's a lot to love about a home – its unique character, timeless details and genuine craftsmanship. Drafty, unsightly windows can easily steal away from the beauty of these features. That's where Revive pocket replacement windows come into the picture.

Each window can be transformed with stunning Windsor quality in about an hour – with fewer worries about disturbing any treasured wood trim or other interior and exterior features. And because they're meticulously built to order with customizable features in three high-quality materials (wood clad, hybrid and vinyl), Windsor Revive pocket replacement windows are a fast, uncomplicated upgrade.

Revive Sash Replacement Kit

Replace old, drafty, inefficient double hung sashes with energy efficient, dual pane sashes. Windsor's Revive Sash Replacement Kit makes updating easy, allowing homeowners to leave existing interior trim and plaster in place. Choose from three different replacement sashes: versatile primed wood, durable aluminum clad or low-maintenance cellular PVC. Revive sashes feature EZ Tilt, which provides fast access for hassle-free cleaning.
